# NZ Certificate in Health & Wellbeing Healthcare Assistance strand (Level 3)

Scan to view the most  
up-to-date information about this  
programme on our website

The aim of this programme is to provide people with core skills and knowledge, grounded in mātauranga Māori, which are required to provide person and whānau-centred support in the health and wellbeing sectors. The community will benefit through the provision of high-quality health and wellbeing services by individuals who are trained to support people, whānau and family and the wider community.
